**EXCHANGE RATE FLUCTUATIONS:**

Foreign currency exchange rates fluctuate daily. For example, in 2008, Euro rates versus the US Dollar fluctuated from a low below 1.25 to almost 1.70 (meaning that one Euro cost \$1.25 to \$1.70 US). It is very difficult to set the price of a tour when we cannot predict what exchange rates will do. We price our tours at a set exchange rate and adjust for fluctuations at final billing. If the rate drops below the original rate, we pass the savings on to our passengers. If rates increase, then we must pass those costs on.

Danny Herman (Archaeologist)

This custom tour will be unique in that our guide will be an archaeologist, Danny Herman. Danny graduated from Hebrew University in Tel Aviv, teaches tour guide courses to other guides, and has participated in excavations at Ashkelon, Masada, Ein Gedi, and Herodium.

Our tour features almost all of the sites included on other tours, plus several things not included in the customary ten day tours, including the visit to the City of David and opportunity to walk through Hezekiah's tunnel. We spend an extra day in Galilee and an extra day in Jerusalem. Also we stay one night at the Dead Sea, south of Masada.

This custom tour will not be combined with another group. Traveling together with other Christians enriches the vacation experience. You will form friendships that last well beyond the days of our travel. Our groups enjoy singing together as we travel as well as making time for worship on the Lord's day.
