

# TODDLER TABLES

One piece of furniture allows effective control and teaching of up to eight children. Safe supervision at mealtime is possible. Molded plastic seats provide control and comfort for the child. Seats are removable for easy cleaning and legs are adjustable for teacher convenience.

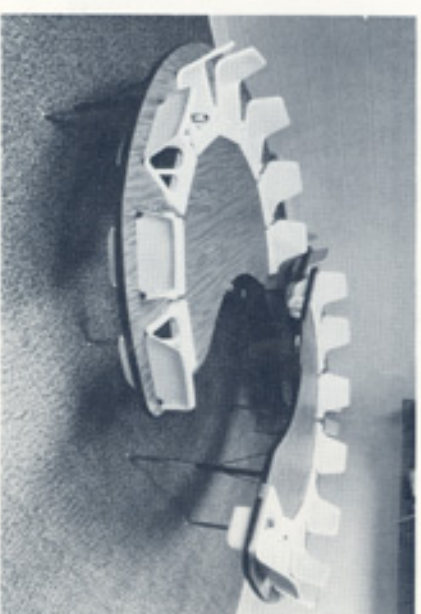

# TODDLER TABLES

**NOW AVAILABLE!** a table with built-in seats especially designed for the nursery class. One piece of furniture allows effective teaching of up to 8 children (more if multiple tables are used) in the nursery class. This durable half-round table with sturdy molded plastic seats provides physical control and comfort for the child. Seats are removable for easy cleaning and legs are adjustable for teacher comfort.

- table is 48"x72"x1 1/4" thick with woodgrain top.
- weight: 100 lbs.
- legs are adjustable 18-29 inches.
- 8 bright yellow seats (removeable).
- seats are molded polyethylene plastic with form fitting high backs for support.
- accommodates children from 5mos.-2yrs.approx. (35lbs.)

**One teacher says:**  
 "I really like this table. It gives the teacher a lot of working space. You don't have to worry about chairs tipping over or children toddling away. The children are much more attentive which frees the teacher and assistant of discipline problems and increases class time."

**Robbie Cornell**  
 Cradle Roll Teacher,

another:

**"TODDLER TABLES....** A great product. The table provides safe supervision at mealtime; saves time. Teachers can give equal attention at same time."

**Rosalia D. Butler, Director**  
 Raleigh Nursery School
