DOOR-TO-DOOR WORK IN THE UPPER MIDWEST

RICK LANNING, 6567 Bluebird Dr, Maple Grove, Minnesota 55369—In the past three summers there has been an extensive door-to-door effort by local churches in the upper midwest. In 1989 many

Christians came from several states to help reach souls in Duluth, MN. In 1990 the brethren in Red Wing, MN invited others to help them evangelize their city. This past summer the church in Eau Claire, WI did the same, with much success. In the summer of 1992 the church in Brooklyn Park (Minneapolis), MN is inviting anyone wishing to help us save souls to plan a vacation in the upper midwest. The dates will be sometime in July or August. The dates will be verified soon. We will be honored to have you with us for this two week effort, providing housing for all who would come our way The second week we will likely have a gospel meeting tied with our door-to-door work If you would like to come, please contact Rick Lanning (612) 425-2385 or Wilson Copeland (612) 424-4097 or write us at 8716 62nd Ave N. Brooklyn Park, MN 55428.

FROM AROUND THE WORLD

GERMANY—Steve Wallace, HQ USAPE/MWLC, PSC. 2, Box 7257, APO AE 09012—Things are looking up here at the church in Ramstein and with the work in the former communist countries.

Mary and I were in the U. S. visiting family and brethren (Aug. 20-Sept. 10). Our visit was encouraging to both of us.

During the 14 month period between Dec. 90 and Jan. 92, a total of 32 people at the church here (members and their families) have already been or are being transferred to new assignments. This is alarming in light of the fact that attendance at the church here has rarely been above 50. We have had 16 new faces to arrive since my last report. I have also received a letter from a family that will be coming to Ramstein in November. We have had two responses, both restorations, since my last report.

I am now preaching for the church in Bitburg on a once-a-month basis. They are doing well there. I have been going to eastern Germany during the week before I preach there on Sunday. During these times I have spent many hours on the town squares in Leipzig and Halle handing out literature and talking with whom I could.

During a trip to the Ukraine, USSR, we collected addresses from people who wanted Bibles. The total number was around 950.

Dale and Marlene Smelser have returned to the U. S. after six months in Prague, Czech. Jim, Dale's brother, has now come to take his place. Bill and Nancy Bynum of Rogersville, AL plan to return for another stint there the first part of 1992.

Jeff Archer and Richard Copeland and their wives and families are now settled in Budapest.

ITALY—Stefano Corazza, via Padre Pilippini 138, 00144 Rome, Italy — We are having Bible classes with a Catholic couple. We hope and pray to see soon their conversion to the Lord. They have two sons we hope to reach through their influence. We should begin another study with a man and his girlfriend. We also should begin new Bible study with a lady who attended our past gospel meeting.

We are handing out to people in the streets about 6, 000 copies of "CNT-Christianity of New Testament" (our four page bulletin). We also are preparing the printing of more than 12, 000 cards which will invite people to our regular Bible studies.

Francesco Fosci, Via G. Leopardi, 5, 14011 Aprilia—In the Latina church things are doing fine. When I started this work in Latina, there were only three of us. Then other people were added. Now there are eleven of us and fifteen in attendance.

On the first Sunday in October I started a new radio program.

SOUTH AFRICA— Paul K. Williams, P. O. Box 324, Eshowe 3815 South Africa, reports that two brothers (ages 21 & 24) were baptized as a result of the younger brother completing a correspondence course.

Dan Huddleston, Box 16072, Strubenvale 1570 RSA—We traveled to Zambia the first part of July to visit with six preachers we had worked with before and considered to be the most knowledgeable and boldest. When we arrived at Zimba (about 50 miles north of Livingstone) we found Ray Syanjina. Ray was very receptive in our study with him. When I handed him outlines and charts, he said that he would study them and teach them to his people. Ray is about 40 and is very respected among his people.

Thirty miles further north we turned to Namwianga. This is the heart of liberal territory. Here, the liberals operate a primary and secondary school as well as a teacher training college. Here we found Robby Banda. Robby (age 30) is a mechanic for the liberal's school. I asked if he would leave the liberals and work elsewhere. He said that he would, but there were no jobs in Zambia. However, he was saving his money to go to South Africa to look for work. We also met and worked with Peter Nyoni Siankuse.

I am mailing lessons to the other three men and hope to hear from them. The only way I can be sure that they will leave liberalism is to make another trip back. Brian and I could go in November. We should make a three week trip for less than \$ 1200. Our trip cost doubled what I had expected as the camping supplies alone cost \$1300. We had estimated \$1500 for the entire trip. It was a 2000 mile trip with gasoline at \$4 per gallon. Needless to say we ran the tab up to almost \$3000. Jim McDonald had contacted several churches and had raised \$1425. But now we are in the hole over \$1500. Two churches had had to drop their support to us. We are over \$ 1800 dollars in the hole. Help us, please. **SOUTH AMERICA**—Ruben C. Amador, Box 924456, Houston, Texas 77292—I was preaching in Chile, South America on Sept. 4-12. I worked with the Calle Madrid church in Santiago. Attendance was excellent, having over a dozen non-Christian visitors. During the day much time was spent on home Bible studies dealing with several issues.

In Talagante I worked with the church that meets in the home of Nestor Sanchez, the local preacher. He is working hard to establish the work there, but has not had the results he would like. In Quillota I preached with the group that meets on Sunday nights. The building was full. The church consist of young people and young married couples converted out of pentecostalism. Several young men take an active part in preaching and teaching.

Just outside of Quillato, there is the El Progreso church where Miquel Hurtado preaches. Their auditorium was too small to accommodate the large crowd. I was invited to return to Chile in October of 1992. Many of these brethren and their families are hungry for the truth.

I was in Argentina, South America on Sept. 12-18. The Jose C. Paz church was prepared for the meeting. Attendance was very good. Some of the visitors were persons who listened to the radio programs. They are having much success with their radio programs. Several have enrolled in the correspondence course and others are attending on a regular basis.

REASONS FOR CHURCH SUPPORT OF THE COLLEGE

Craig Young of Birmingham sent a clipping from the FHU Today, the alumni newspaper of Freed-Hardeman University, entitled "University seeks additional congregational support." In it, J. Walker Whittle, FHU's director of congregational support is quoted as saying the reasons for supporting the college out of the church treasury are varied. He said, "It's the Lord's work and it teaches the Word of God... Furthermore, it prepares workers for the kingdom, thereby performing a service to the church." Isn't there something missing here—like a little Bible authority? That would seem to me like a good reason to support a program like this. And another thing, doesn't that sound a little like the arguments made many years back to justify the missionary society?

WELL PUT

Earlier this year Maurice Barnett was in our area for a meeting. The night I was present he had an excellent lesson on lasciviousness. He warned of many dangers that are faced today. In the course of his study he raised the question that someone else had raised to him: is it wrong to kiss on a date? Here was his answer: It all depends on four things. 1. The circumstances or the environment, 2. who you are with, 3. where you are, and 4. how long you hang on. Well put!

OOPS!

I think every preacher can relate to getting carried away in a sermon and saying something he didn't intend to say. Several years ago I was making a point about the cases of conversion. I starting naming some people that the Bible says obeyed the gospel. It went something like this: "In Acts 10 we read of a man named Cornelius. In Acts 16 we read of a woman named Lydia. In Acts 9 we read of a man named Saul. In Acts 8 we read of a man named Simon and again in Acts 8 we read of a man named the Eunuch." Oops! I should have stopped one name earlier.
